REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

It was a productive year for Blue Ridge Elementary. We enjoyed learning, growing as leaders and becoming community minded as we implemented the Leader in Me program for the first year. Students began to look at school differently as we introduced and began to foster the 7 Habits of Highly Effective People. Applying the habits to real world situations and their core academic endeavors began a very positive relationship with all stakeholders representing Blue Ridge Elementary. The year was filled with the fun, scholarship, and groundbreaking pathways that will lead to the success of all Blue Ridge Elementary students. A team from AdvancEd, formerly the Southern Association of Colleges and Schools, visited our school in the spring and granted the district accreditation at the conclusion of their visits. Teachers were creative and lessons more engaging, all demonstrated by students and their ability to be successful in classroom and extracurricular endeavors. Our students and faculty contributed to many needs of our community. Blue Ridge Elementary was first in the district for charitable giving to the United Way.

Instructionally, Blue Ridge Elementary began the implementation of the Common Core State Standards, participated in benchmark testing, and began to use Pearson’s Envision as our mathematics instructional core. The information obtained from data taken from these endeavors was used to plan for differentiated lessons and RIT groups that would challenge students based on his or her personal performance. Result findings see Blue Ridge Elementary gaining positive momentum; we continue to welcome new and further successes.

The 2013 Palmetto Assessment of State Standards coupled with 2012 reports reflected gains and earned Blue Ridge Elementary a Silver Award for Absolute Performance. We are extremely proud of this accomplishment by our students, staff and families as we work together to provide our children with the best educational experience possible.

Blue Ridge Elementary ended the year by celebrating our Honor Roll students and our kindergarten and our 5th grade graduations. It was a wonderful year for Blue Ridge Elementary. Students and staff demonstrated strong initiative and an obvious desire to believe and achieve in their academic and extra-curricular lives; all while practicing the 7 Habits and the Leader in Me. Blue Ridge Elementary administration, leadership teams, SIC and other stakeholders are already engaged in planning the 2014-2015 school year and endeavor to be successful. Our trials include but are not limited to increasing from our Average report card rating, meeting AYP status, and to close the achievement gap among all student groups. We will address these challenges through our Title I program, differentiated instruction and professional development.

We remain committed to all stakeholders in our school, city and community at-large.
